Dear Colleagues in Liberal Democrats.

I would on this Saturday morning like to express my heart-felt joy that I have been accepted back into the Party as a Member and as our recent correspondence shows with the Campaigners Hub and contact with the local Party here in Medway I will campaign for the Party in both the local and national elections in the United Kingdom.

The Party may not be aware that I am the Director of a Publishing Company registered with Companies House in which I elaborate my impressions of life in the United Kingdom over the past 50 years.

I will promote the Liberal Democrats Party from hereon in as attached: REJOINING LIBERAL DEMOCRATS.pdf. The book will chart the developments in the Party at the local and national level and I will submit it to the Party from time to time for approval of its contents, if it is necessary for me to do so.

Wishing all of you my high regards for the principles and traditions of the Party.

Yours sincerely

PREFACE

I have had a very promising start to my association with the Liberal Democrats, the political party of the United Kingdom that I joined on 1 April 2024. I had been a party member a number of years ago but due to the arrival of the Brexit issue that I in my naivety was then in favour of, I left the Party. Now I believed in humanity and internationalism and campaign to rejoin the European Union so it was appropriate that I became a member of the Party once again.

Dear Colleagues at Liberal Democrats

There is something grossly wrong with our Law Enforcement system and I wondered what the Party's comprehensive policy nowadays is on Hate Crime and its investigations by the Police Force.

I have had a torrid time with Kent Police going on for a decade for the Police do not take complaints of Hate Crimes seriously as you will note from the attached: ToKentPoliceForceControl(Investigation of Complaint CO/999/23UpdateSought)6Apr2024.docx.

In UK culture, being liberal is of a superior value ideal to libertarianism which is unbridled independence and therefore lacking in the social consciousness that is needed for the cohesion in society that occurs when liberalism is incorporated into democracy.

21.54 pm (UK-Time) 6 April 2024

It follows therefore that there has to be culture change in the United Kingdom before Conservative Libertarianism becomes a widely-accepted political institution hence the Conservative Libertarian Society (https://theconservativelibertariansociety.com) and its political offshoot The Conservative Libertarian Party of the United Kingdom (https://theconservativelibertarianpartyoftheunitedkingdom.com) never stood a chance and has been intellectually condemned by castigating the Founder in mental hospitals twice and attempting to boot him out of the country, or imprisoning him in a prison or another longer spell in a mental hospital. The Monarch is not only the Head of State, but also the Head of the Church of England the Anglican church of Protestantism who could not stomach 'karma in sanatan dharma' that draws its inspiration from the God of the Hindus Sri Krishna. This is why I was doing menial jobs for 25 years with my qualifications and scientific attainments in which I was enacting Conservative Libertarianism in practice within the United Kingdom, in India and both in Cameroon and in Zimbabwe as a karma yogi. I was chucked out of even menial jobs for the same reason and thereby was secluded in the home still doing my writing in websites to end up creating 23 websites and 187 eBooks that no one subscribed to let alone purchase from https://theallurementofrealityinreview.com/shop website.

Finally, I had to chose the least of three evils and found membership of the Liberal Democrats who are tolerant and all-inclusive of races, religions, gender, caste and sexual orientation. They are tolerating me also as a mental lunatic that I explicitly informed the Party about. And two days ago the State-attempted to enforce me into the Community Mental Health Team in Britton House that I resisted, calling their bluff with written evidence that I was sane.

Dear Colleagues in Liberal Democrats

I am grateful for your email yesterday the 6th of April 2024 'Whats new with the Lib Dems' on the latest briefing from the Liberal Democrats.

If I was to make a small contribution to the debate, the attached summary of my involvements may be taken into account. It represents my approach that the United Kingdom could be a truly multi-cultural State that is all-inclusive and fosters the needs of the diverse range of people within it, not just race, religion, sexual orientation, but also development that includes factors such as age, mental disorders and gender.

The book that I am in the process of writing as attached, REJOINING THE LIBERAL DEMOCRATS' is herewith submitted to the Party hierarchy as food for thought for progress towards a meeting of minds going forwards employing a 'steady as she goes' philosophy.

Since the Liberal Democrats seem to have accommodated Conservative Libertarianism until they say otherwise, all the websites contribute to the development of the Party. So the extension of the domain at Wix.com is included here in this book, 'Rejoining Liberal Democrats'; as will all my official activities as a Member of the Liberal Democrats. I uphold the values of the Liberal Democrats. It is my religion to truth-accommodate to emerging realities on the ground.

When I was at my desk using the desktop computer sat on a armchair I slid to the right and banged my eye and forehead against a metal railing on another table so it was bruised as shown in the photograph. That was a week ago and the although it did not bleed, there was blood accumulation under the left eye and grazed forehead where the skin had been peeled off. No my appearance in the photograph is not the reason of my wife beating me up or me walking into a lamp post while drunk. Am I being too verbose with my explanation?

Comment:

I owe it to my Party the Liberal Democrats to include my correspondence relating to my involvements as I have been accommodated in the Party and have to keep up appearances to promote the Party in social media. So these are all relevant for the development of this book. I must be beyond criticism, or the Party would discipline me for what I write in social media. Since the Party did not reply to my question of whether it is necessary for this book to be subjected to Party scrutiny before publication. I am publishing it in my website Forum Liberal Democrats (UK).

12.37 pm (UK-Time) 7 April 2024

The book has been updated up to this point in the published as follows:

For reason based politics join the Liberal Democrats in the United Kingdom in Liberal Democrats (UK)

13.40 pm (UK-Time) 7 April 2024

Dear Sir

With reference to the website that I have had a look at with a view to determining whether Mr Amulya Nayak of India with an excellent career in the meat production and processing industry could obtain a Visa through and employer to come and work in abattoirs in the United Kingdom https://ahdb.org.uk/beef-lamb/england-abattoir-numbers (England abattoir numbers – cattle and sheep | AHDB I am hereby attaching his curriculum vitae for your kind consideration: England abattoir numbers – cattle and sheep | AHDB

This data shows the number and size of English red meat abattoirs operating each year.

Mr Nayak's talents, expertise and experience in the area also of poultry development and processing industry is currently being wasted which would be a pity given the shortage of skilled workers in this country in this specific area of work.

I would be grateful if you would let me have your assessment of Mr Nayak's employablity in the United Kingdom on livestock-related business establishments; or put him in contact with other businesses who are seeking workers that meet his professional record.

Yours sincerely

Re: The Conservative Libertarian Publications Limited sent you a new message

Dear Zachary

I am sorry to hear that the ethos and principles of the Conservative Libertarian Society was not the reason that you came to our website.

There is much that needs to be discussed about the need for such a society, for it is all-encompassing. I have been a member of all the major political parties of the United Kingdom at one time or the other, and none of them I would say have what it is needed for an all-inclusive, yet entrepreneurial free market-oriented management of the economy. We believe in upholding the basic traditions of the nations that we work within and the Conservative Libertarian party of the United Kingdom that you might know about

(https://theconservativelibertarianpartyoftheunitedkingdom.com) is currently shaping up to its responsibilities in this regard.

I do hope that you will reconsider your approach to the development of society in this matter and see if we can find common ground on which to make renewed efforts to make the United Kingdom great once again. I am trying to persuade the Liberal Democrats to adopt our vision currently as a Member of this Party as the least intrusive of the options available to go forwards.

Good morning

Thank for your email below and your decision and willingness to now engage with the investigation process. I note that in your initial complaint you alluded to five arrests and in the email below you have alluded to 7 arrests. I have looked at the police system and it only has a record of 5 arrests. Can you please confirm that the other two arrest were not Kent Police related. I have had a cursory review of the 5 arrests and would like your comment on each individual arrest on the reason you think there were not proportionate, necessary and legal and if there was anything particular you were not happy about or with the arresting or officer investigating each of these arrests. There reason I have asked for this is in writing first is to ensure your concerns are clearly reflected so we can focus on the specifics to determine what areas I need to look at before we meet.

Kind regards

DS MUCHEMWA

Dear DS Mich Muchemwa

With regard to the matter that I sought clarification on establishment of the parameters of complaint that you are investigating as attached:

ToclcccrtofAppealSupremeCrtJCPCKentPoiceJilUessonNorthKentMagistrateCourt (QUALITY ASSURANCE PROCESSING OF CLAIM E35YM660 PROCEEDINGS)15Mar2024.docx, the lack of replies signifies to me that the matter lies in your hands or that there has been a widespread conspiracy against me to pervert the course of justice. Also see communication to HMRC (ToHMRC(Misunderstanding or Deliberate Sabotage of The Conservative Libertarian Publications Limited)Mar2024.docx. FrAbdulChaudaryVEsolicitors(POWER OF ATTONRNEY REQUIREMENT)15Mar2024.docx.

Sir, after a stint of 18 years.dox working in the laboratory and in the field, I went Freelance to determine for myself the meaning of life, and through my interactions assessed what I now contend as being the fallacy of conspiracy theories. I am putting the finishing touches on this outcome of my research that it may all be due to the nuances of Brahma-Nature that people suspect organised conspiracies' against them and the art of living through the Reality is to chart one's way methodically to security and greater things to come into one's life. Distrust and conflicts between human beings, institutions and States then vanishes. I have examined it in detail and would have liked to discuss with people more knowledgeable than myself from their own experiences. We seek God to find some answers but that is not in my estimation going to prove anything useful.

The long and the short of the matter is that if Professional Standards Department considers that your suggest remit of the Complaint parameters is the right one, I now fully accept the terms that you stipulated as attached: FrDSMuchemwaKentPolice(Parameters of Complaint Investigation)13Mar2024.docx.

In this event I would challenge any of the arrests and the coerced interview of myself from 16 September 2021 to date as being justified or proportionate given that I have always since my first interview said that the emails concerned were perpetrated by trolls and there was a belief on my part that it was Mi5/MI6 that had engineered the extraction of Shanpanigrahi3000@gmail.com to send out the stalking and malicious communications to Katrina Sale, Independent Office for Police Conduct, staff of BLM law, bp, and educational establishments. At the time of the complaint being lodged with Professional Standards Departement I believed in the Conspiracy theory that I was victimised with by the prevailing State Establishment, but your findings may prove otherwise. We wait and see. I am not going to judge until after your Report is available.

I am a retired person and will cooperate with you in person by phone, email or by coming to your office at Medway Police Station to go over all the 7 arrests in a bid to prove that they were unnecessarily conducted.

Please reply to this email as soon as possible, or telephone me for such arrangements.

Yours sincerely

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months. Supporting you in making a complaint

Hello Shantanu

If you want to make your money work harder for you, consider moving money that you don't need to access regularly into an account that pays a higher rate of interest.

You can choose from a range of bonds and ISAs that offer a fixed interest rate over a fixed period of time, or flexible products that provide partial access to withdraw some of your money. The interest rate on fixed-rate products that don't allow withdrawals is typically higher than the rate on products that allow you to withdraw money at any time.

If you're unsure about your withdrawal needs, splitting balances across different products can help you achieve the right mix of interest rate and withdrawal access for you.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 12 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months. Supporting you in making a complaint

Update:

I sent a WhatsApp text to Amulya Nayak to say that he is motherfucker who has terrorised me, then a WhatsApp text to Soumya Panda to say that she has criminally conspired against me in the Kalindi Flat Disposal; and finally a WhatsApp text to Jill Jesson to say that I was right from the very beginning.

At 3.33 pm the Mobile Phone rang from a Spam Caller dialling from 0191 696 8300.

I blocked Amulya Nayak and Soumya Panda on WhatsApp and attempted to Video Call Sukarno Chandra Deb on WhatsApp about the Kalindi Flat Sale but there was no answer.

A Fair Deal for Crime and Policing

A Fair Deal for Crime and Policing

As we gear up for the General Election, we're sharing our pre-manifesto policies through a series of emails, focusing on the Fair Deal we're championing in key areas.

The pre-manifesto is an early version of the party's manifesto for the General Election, setting out our core values and vision.

More details on these policies, and how they will be implemented and funded, will be outlined when the full manifesto is published.

Here's a snapshot of our plans for crime and policing. ∇

Please note, as justice and policing is devolved in Scotland, these policies refer to England and Wales only.

Why we need a Fair Deal for Crime and Policing

Everyone deserves to feel safe in their own homes and walking down their own streets, but that's not the reality for many people in the UK today.

Police officers up and down the country do a great job every day, but the Conservatives have failed our communities with their ineffective resourcing of frontline police, leaving them overstretched and under-resourced.

Burglaries go unsolved, while rates of fraud, anti-social behaviour, and violence against women and girls remain alarmingly high.

Victims of crime are left waiting hours for the police to show up and investigate - that is, if they show up at all.

Court backlogs prolong the agony for victims seeking justice, and prisons are overcrowded, understaffed, and ineffective at rehabilitating offenders.

Unsolved crime and a weak justice system only emboldens criminals to commit more crime. We will restore community policing and fix the justice system to make our streets safe again. Police Officers in hi-vis jackets.

An effective police force

To enhance law enforcement and public safety, we will:

- Restore proper community policing, where officers are visible, trusted and focused on preventing and solving crimes especially rape and other violent crime. We will work with the police to identify tasks that use a disproportionate amount of their time and help boost efficiency.
- Create a statutory guarantee that all burglaries will be attended by the police and properly investigated.
- Establish a national Online Crime Agency to combat online crime, allowing frontline police officers to focus on local crime instead.
- Replace Police and Crime Commissioners with Police Boards made up of local councillors and community representatives, and invest the savings in frontline policing.
- ☑ Draw up a national recruitment, training and retention strategy to tackle detective shortages.
- ✓ Enforce youth diversion programs as a statutory duty nationwide, offering pre-charge alternatives for young people up to age 25. Youth diversion addresses low-level crime without going through the formal justice system, improving outcomes for young people and reducing the strain on police resources.

We will also ensure the police are held to the highest standards, so that public trust is restored and victims are properly supported.

We will:

- Rebuild public trust in policing by ending the disproportionate use of Stop and Search, repealing the Public Order Act 2023 and improving access to restorative justice.
- Require the Home Secretary, Mayor of London and Metropolitan Police Commissioner to implement the recommendations of the Baroness Casey Review and revamp vetting and misconduct procedures. This review, prompted by the tragic case of Sarah Everard and other incidents involving Met officers, scrutinises the culture and standards within the Met.
- Introduce mandatory training for police on supporting victims of violence against women and girls, helping victims and restoring trust in the police.

A judge's gavel.

Restoring the justice system

Urgent action is needed across all elements of the justice system, including the courts and prisons.

We will:

- ✓ Invest in the criminal justice system to tackle court case backlogs and ensure swift justice for victims and offenders.
- ✓ Break the cycle of reoffending by improving rehabilitation in prisons and on release, and strengthening the supervision of offenders in the community.

That's the fair deal for crime and policing that we'll be fighting for at the General Election. Stay tuned for the next edition of our Fair Deal series - coming to your inbox soon!

Best wishes,

5 Enforced Arrests and 2 Coerced Voluntary Interview Arrests

Yahoo/Sent

Shantanu Panigrahi From:shantanupanigrahi@yahoo.com To:Mish Muchemwa DS 46014005 Cc:Membership Team - Liberal Democrats Mon, 8 Apr at 16:57

Dear DS Mish Muchemwa

You asked what the two other coerced voluntary interview arrests were: and I have checked that the first one was on 16 September 2021 where was called into Medway Police Station and second was when on 28 April 2023 I was taken to Maidstone Police Station

I cannot tell at this stage whether these were lawfully proportionate as the other 5 Enforced Arrests were or were not, but the very fact that I was fully exonerated as linked here: https://www.knowledgeassessmentanddissemination.com/post/charge-refused-certificate-from-kent-police-and-the-restoration-of-seized-property means that it is for Kent Police to provide me with all the documents that were examined during each of the 7 arrests so that I can work out whether the procedures employed on me were lawful and proportionate.

Kindly provide me the said documents before we meet.

Yours sincerely

I unblocked and texted Soumya on my direct WhatsApp line: 'I am sorry for offending you Soumya please let bygones be bygones and forgive me for calling you a criminal and madarchod.'

I then unblocked Amulya Nayak on WhatsApp and texted him: 'Abattoir Company ru kichi kabar aasichi Amulya?' Translated it means 'Have you received an news from the Abattoir Company?'

Amulya Nayak replied: Mote pathei deo' (Translated: send it to me). At 6.53 pm Amulya added: 'Mu Dekhi be' (Translated: I will see).

In S,S,R,R family group of WhatsApp: Rashmi wrote derogatory remarks about me to which I responded: 'This is the work of MI5/MI6 not Soumya.'

Rashmi responded at 5.15 pm: 'Are you MI5 @Soumya?

Rupa texted: MI5 does not exist, sorry dad. I don't know why you think this way. And please think about what you said to auntie. I think that was vile and irrelevant.'

I responded specifically to this: I have apologised for being so but she does not respond.'

Rupa texted to this: 'You may have said sorry but was your apology genuine?

Shantanu Panigrahi From:shantanupanigrahi@yahoo.com To:help@libdems.org.uk Cc:Amulya Nayak Mon, 8 Apr at 22:01 Dear Colleagues in Liberal Democrats

I have had the misfortune of being turned down by over a hundred jobs during the past few years even with my qualification and experience that you will note from my Curriculum Vitae as attached: SHANTANU PANIGRAHIShortCURRICULUM VITAE10March2024.docx, for no apparent reason. Now I find that in trying to assist a friend and colleague no acknowledgement is received either by Mr Amulya Nayak or myself as linked here: Employment Matters being examined by the Liberal Democrats | LibertarianDemocracy

https://www.thelibertariandemocrats.com/forum/liberal-democrats-uk/employment-matters-being-examined-by-the-liberal-democrats Employment Matters being examined by the Liberal Democrats | Libertarian...

I hope that this matter could be addressed in the manifesto for the local and general election forthcoming.

Should you need more information, kindly contact Mr Nayak directly to let him know if he has any prospects where I had none of employment in the United Kingdom.

Thank you.

Kent Police

Dear Sirs

I mentioned to a colleague in Linkedin that I was in the process of regurgitating (taking stock, as it were) over the developments of the past two days:

On 7 April 2024: On this Sunday evening I came to a point where I was safe, my websites preserved, eBooks to be sold, etc. The Court of Central London can now easily judge because I have published everything. And the complaint referral to the State Authorities has to have a direct reply sooner or later. I will wait until the 22nd of April 11 AM for my appointment with Dr Emmanuel Oranusi in Britton House knowing that it has to deal with the emailed letter that I sent to KMPTPALS. So, they sent me another Linkedin Network notification that Faisal has now accepted my invitation to connect at 6.36 pm. Nothing came from Linkedin by way of an email or it would go into the REJOINING LIBERAL DEMOCRATS eBook to be online instantly. At 21.40 pm another Max Bannerman was connected to me and I did not even go into my Account in this Social Media platform.

On 8 April 2024: at 9.02 pm I reflected on the fact that we had effected a £1000 transfer of funds as a Gift to my nephew Mr Mihir Kanta Praharaj on Barclays online International payment system on my personal Pinsentry yesterday late. This afternoon there was an email from Barclays Bank saying that it had failed to be credited to the named account as the Indian authorities want more information on the matter. This has never happened before when we have transferred funds to our relatives in India. I tried to phone Barclays Bank on 03457 345345 at 5.21 pm but was told that I would have to hang on the line for an hour for an official to attend to the matter. So I cut off the line and we will try and telephone Barclays tomorrow morning between 8.30 am to 10.30 am.

Sirs, the Indian Government and the government of the United Kingdom have conspired against me also on the Kalindi Flat disposal matter, my State Bank of India funds held at Lake Town branch of Kolkata, India, my birthright to an Overseas citizen of India status, my Unit Trust of India shares, and during the past year the Mr Amulya Nayak perpetrated terrorism on me. So I will let my wife Rashmi do the telephone call to Barclays Bank tomorrow. I have a legal matter to fight first on my hands. Nothing will be published anymore. I will submit this as my final submission to the Court when the matter comes up to a Hearing on Claim E35YM660 at the County Court of Central London (Panigrahi versus the Prime Minister of the United Kingdom).

Failing that Dr Oranusi of Britton House is where the matter would be resolved. Kent Police has gone silent on my late afternoon email to DS Mish Muchemwa that I copied to the Liberal Democrats, for if they do send me an email to state their side of the matter or telephone me I will give them what it takes to clear my good name and demand damages and compensation. I cannot send Kent Police or anyone else an email I thought for it would lead to a cover up of the terrorism that I have suffered during the past 26 years.

The State Authorities continue to use LinkedIn to terrorise me: even as write some creep has accepted connection timed to disturb my presence of mind, much like the hundreds of Spam Calls to my Mobile Phone and landline for over a year and a half.

Yours sincerely

Dr Shantanu Panigrahi

Time estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 5577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

When corresponding with the court, please address forms or letters to the Court Manager and quote the claim number. Tel: 0300 123 5577. Check if you can issue your claim online. It will save you time and money. Go to www.moneyclaim.gov.uk to find out more.

clearly marked as being heard by a Circuit Judge. Any bundles delivered by hand can be dropped off at the public counter by obtaining an appointment by ringing the appointment line on 0207 947 7502 indicating that the delivery is for a trial bundle.

Skeleton arguments for this case should be sent by email to CentralLondonCJSKEL@justice.gov.uk. Parties may not send PDF files to this Inbox. Any emails to which PDF files are attached will be deleted without having been opened or read. Furthermore, do not send skeletons by FAX or by any other means unless email is not available in which case explanation must be provided with the document.

Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- · an experience that works for everyone
- · services that people with disabilities can use independently where possible
- · services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- · providing our forms in large print
- · providing our guidance in audio or easy read
- · making sure hearing enhancement systems are available
- · providing a separate waiting area
- · making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. Judges are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as a reasonable adjustment by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or centrallondoncounty.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Please note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around our building and support before the hearing.

- If you need a parking space (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.
- email: RCJ.DCO@justice.gov.uk or centrallondoncounty.dco@justice.gov.uk
- tel: 0207 947 6063

Please include:

- · your case number
- · car registration, make, model and colour
- · your Blue Badge number and issuing authority.
 - · Wheelchair access into the RCJ is available at:
 - o West Green (9am 4.30pm), and
 - o Bell Yard North (9.30am 4.30pm).

These entrances and the main entrance have intercoms linked to RCJ Security.

- Step-free access (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best
 routes for step-free access is available at each entrance and/or upon request.
- Accessible toilets are located throughout the RCJ. Maps are available but please let us know if you need details in advance.
- If you have **limited mobility**, we have a limited number of manual wheelchairs available for use. You may bring a carer or helper to support you using the wheelchair.
- Support Through Court are a charity supporting people who face court alone so that they can represent themselves
 to the best of their abilities. You can find out more information on www.supportthroughcourt.org or phoning 020
 7947 7701.
- · Assistance dogs are welcome in all HMCTS buildings.

The hearing.

For the hearing itself, we can provide:

• breaks in court proceedings. We will ask the judge to consider your request before your hearing begins

- help with reading and writing court forms. Some court documents can be provided in large print or braille https://www.gov.uk/government/collections/court-and-tribunal-forms.
- hearing enhancement systems in some of our courts (and available at reception and at our public counters). We also
 have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

Britain may be heading for Swedish style military conscription system in TCLP-UK proceedings

https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/britain-may-be-heading-for-swedish-style-military-conscription-system

The TCLP-UK supports the view expressed that a moderate style of military conscription system where all 18-21 years receive military training is advisable in the modern world which is getting even more dangerous than in the colonial days due to population explosion in the world, the movement of people through asylum and immigration into the country who would have to swear allegiance to the Crown to be doing what the State requires.

Membership at Liberal Democrats

Dear Sir/Madam,

This afternoon I had reiterated my desire to change my membership dues payment method from Card Payment to Direct Debit and Mr Mike Dixon texted me back on WhatsApp to apparently contact you concerning it.

Over the past 10 days since I rejoined the Liberal Democrats I had fully exposed my deeply held views which may or may not synchronise with the vision of the Liberal Democrats, I do not know. I can only go by the lack of replies to my numerous emails that this is a possibility. What for example does the Party believe in the issue of a Swedish-style military conscription as linked here: https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/britain-may-be-heading-for-swedish-style-military-conscription-system

This is my final email to the Party heirarchy following which I will just see out my membership unless I get automatic renewal of my membership yearly which the Direct Debit method enables.

Do members get a welcome pack in the post with a Card having their details of membership?

Either way, I need to know where I stand in the Party, whether we can have a good working relationship.

Yours sincerely

Same! politics is becoming increasingly more complex everyday so it's useful to always be interested in understanding it.

May i ask, how do you practise religion

if you are not to surrender to God? Curious as to how you go about that if you do actively practise.

For me exposing truth is the highest religion. I have always done that. I do it through the process of satya-advaita yoga. It is a scientific method of being at one with truth or truth-accommodation. This is to say to seek the truth, to expose the truth and never let truth get covered up. This method has led me to the knowledge of being certain that God exists as a Personal God.

I am emailing to formally notify you that your application to rejoin the Liberal Democrats has been refused by both the South East Regional Party and your local party. We appreciate that you have received some automated emails that might have suggested that your membership was accepted, including the invitation to join the Campaign Hub and the "What's new with the Lib Dems" email.

This is NOT the case. As your membership has been rejected, your fees will be refunded to you. Your membership application has been refused on the grounds of inappropriate communications to local and regional party officers when you were last a member in October 2022.

Any person whose membership is refused does have a right of appeal, which must be made in writing within 14 days of the applicant being advised of the refusal to admit, and which shall be dealt with in accordance with the guidance published under Article 23. Participation in the Party's Registered Supporter Scheme may be refused by the Federal People Development Committee on the grounds set out in (a) and (b). The only right of appeal shall be pursuant to Article 22 on any matter relating to the interpretation of this Constitution."

Comments:

More than ever before I am convinced as detailed in the book 'Collecting the dough' that the Conservative Libertarian Society and its political offshoots The Conservative Libertarian Party of the United Kingdom, and the Conservative Libertarian Party of the USA that I founded are the ideal formulation of the society one wishes to create and the politics of each nation being adapted to its traditional values. But Law and Order needs to have the right of reply so that Law Enforcement and Judicial Systems need to make the Security Services and the Courts accountable to serve the people and not the State Establishment.

So this is my final through of the dice in the United Kingdom to see whether such a Society can be pursued through the Liberal Democrats and the email that I have sent it is an ultimatum for a reply that is forced upon the Party by virtue of the Title of the email that takes the events of the past four days into account and questioning whether the Appeal was effectively necessary by asking if the promised £15 membership that I paid has been credited back into my Barclaycard Account. If it has not or will not, I will remain a Conservative Libertarian and the Party will foster the Law and Order that was promulgated by me here:

https://www.thelibertariandemocrats.com/forum/liberal-democrats-uk/message-for-sir-ed-davey-leader-of-liberal-democrats If on the other hand the £15 is now refunded, I will go my own way with the Conservative Libertarian Party of the United Kingdom

(https://theconservativelibertarianpartyoftheunitedkingdom.com) Either way I win. I will now leave them to get on with it.

Dear Standards Officer
Liberal Democrats

With reference to your confirmation of my appeal to the English Appeal Panel as attached: FrStandardsOfficerLiberalDemocrats(EnglishAppealPanelCaseNo30AllocationConfirmed)29Ap r2024; this email is just to clarify that I am definitely not a member of the Labour Party or the Reform UK Party and as you may already know I am not a member of the Conservative and Unionist Party or the Green Party. Furthermore, do not intend to join any Party other than the Liberal Democrats.

I have a website where I promote an idea that I developed, namely 'The Conservative Libertarian Society, a middle of the road concept between the left and right. The EAP may consider it important to get to know what the Society represents at https://theconservativelibertariansociety.com. I am the sole member currently although some people do post materials on the website.

I look forward to your next communication on the Appeal in place as soon as possible.

By deliberate conspiracy involving humans as an example of conspiracy theories, I am disenfranchised not only from legal representation to the Courts but also political representation to the House of Commons as your Honour will note from the attached: ToTaylorHamptonOlivesSolicitorsccRehmanChishti(CLAIM E35YM660)30Apr2024.docx.

The only way to determine this conundrum of whether my Case is an allegation of a conspiracy theory with individuals and institutions organised against me by the State authorities, namely the Crown, or in reality it simply reflects the nuances of Brahma-Nature that I as a satya-advaitic yogi in the Hindu fold of Vishista Advaita Vedanta have contemplated for long; is to have a Hearing of all human parties concerned with this Case. Is that possible for the Judiciary to organise please?

Dear Sir/Madam

This is just to let you know my deep disappointment with the Judicial and Law Enforcement systems that I have had to suffer through over the past 26 years, firstly at the hands of the Mental Health authorities who treated me as either persistently delusional or worse paranoid schizophrenic and then when I tried to make my case to the Judicial authorities and Law Enforcement authorities in Kent Police where my Complaint CO/999/23 has still not reached a conclusion.

To add salt to injury all my attempts to have the injustices heard in the House of Commons over the two and half decades since I submitted a petition to Her Majesty the Late Queen Elizabeth II failed to pass the hurdles of the established parties of the nation.

The only channel for continued progress turned out to be the Liberal Democrats at 11.00 am, for TCLP-UK as a Republican Movement needed an established Political Party in Parliament as its home. The Labour Party rejected it, the Conservative and Unionist Party rejected it, the Reform Party rejected it but I am still there with a chance with the Liberal Democrats Party.

Dear Dr Panigrahi

The Medway Liberal Democrats party does not accept your application to join.

This is because of the past communications you have had with myself when I acted as Membership Development Officer where you used racist and misogynistic terms, suggesting that I prostitute myself to yourself for the Party, and alluding to the threat of rape. You also suggested foul play in the death of one of our members - to name but a few unpleasant details. These play completely against Liberal Democrat ethos, policies and rules.

I understand that the national party wrote to you previously also when Nick Clegg wrote to you to agree to accept your resignation and suggested that you desist from expressing your abhorrent views in public Having had the opportunities to read of your attempts to join many other political parties as well as currently trying to set up one of your own, it would seem that you are not eligible to join the Liberal Democrats.

I do not expect that you will continue your application. If you do, and appeal our decision I will prepare our case with details of our communications.

Dear Ms Lynn Ibeji

I totally and utterly deny sending you any communication by email that was racist and or misogynistic. If you received these, these were criminal anonymous emails engineered by M15/M16 who hacked my email account to make it look that I was the sender of around 500 such emails which constituted malicious communications and stalking that Kent Police investigated by arresting me no fewer than 7 times from September 2021 onwards and finally I was exonerated of all these scurrilous defamatory accusations as linked here:

Dr Panigrahi

Our stance on your membership has not changed. We are not approving your joining of our local party and will be in touch with our Membership Office to explain why. You should not have been given a temporary or permanent membership number. I cannot put any faith in your suggestion that MI5 / MI6 wrote those disgusting emails.

We do aim to answer emails quickly but that might take a day or so. You cannot take silence as assent. I will not be forwarding you Nick Clegg's email.

RECORD OF DISCUSSION WITH COMPLAINANT

DS 14005 MUCHEMWA had initial contact with the complainant Dr Panigrahi SHANTANU and requested clarification on his complaint and set out the parameters of the investigation and

provide clarity of the investigator's remit.

The complainant responded stating that, "

I cannot comment on these limitations as it is under

Judicial scrutiny at the Central London County Court under Claim E35YM660 in which I am claiming £100 million in damages and compensation from the Treasury of the United Kingdom which will be prejudiced against me if I agree to what you have suggested. Please direct all your evidence for the Circuit Judge at the Central London County Court to consider. Please note that any further communication to me from Kent Police will be read and filed with no action being taken by me."

After DS MUCHEMWA reviewed the initial complaint, the complainant made to the police in which stated that he believes he was arrested unnecessarily by Kent Police on 5 occasions RESTRICTED (when complete)

between 15 September 2021 and 20 April 2023 with a 6th coerced interview, with him being falsely accused that he had stalked and sent out malicious communications to various individuals

and institutions.

DS MUCHEMWA thereafter specifically asked the complainant what he objected to about these arrests and whether there were specific actions by any individual officer or whether he thought the arrests were not legal, proportionate, or necessary.

Complainant responded stating that,

"I cannot tell at this stage whether these were lawfully

proportionate as the other 5 Enforced Arrests were or were not, but the very fact that I was fully exonerated as linked here:

https://www.knowledgeassessmentanddissemination.com/post/charge-refused-certificate-from-kent-police-and-the-restoration-of-seized-property means that it is for Kent Police to provide me with all the documents that were examined during each of the 7 arrests so that I can work out whether the procedures employed on me were lawful and proportionate.

Kindly provide me the documents before we meet."

With the complainant not providing the specifics of his complaint, the investigation thereafter looked at whether, the arrests were lawful, necessary, and proportionate.

Dear Dr Panigrahi,

The investigation into your reported complaint has been concluded. It is regrettable that Kent Police did not meet your expectations on this occasion, but it is hoped the matter has now been resolved to your satisfaction. Thank you for bringing this matter to our attention.

RECORD OF DISCUSSION WITH COMPLAINANT

DS 14005 MUCHEMWA had initial contact with the complainant Dr Panigrahi SHANTANU and requested clarification on his complaint and set out the parameters of the investigation and provide clarity of the investigator's remit.

The complainant responded stating that, "

I cannot comment on these limitations as it is under

Judicial scrutiny at the Central London County Court under Claim E35YM660 in which I am claiming £100 million in damages and compensation from the Treasury of the United Kingdom which will be prejudiced against me if I agree to what you have suggested. Please direct all your evidence for the Circuit Judge at the Central London County Court to consider. Please note that any further communication to me from Kent Police will be read and filed with no action being taken by me."

After DS MUCHEMWA reviewed the initial complaint, the complainant made to the police in which stated that he believes he was arrested unnecessarily by Kent Police on 5 occasions RESTRICTED (when complete)

RESTRICTED (when complete)

between 15 September 2021 and 20 April 2023 with a 6th coerced interview, with him being falsely accused that he had stalked and sent out malicious communications to various individuals and institutions.

DS MUCHEMWA thereafter specifically asked the complainant what he objected to about these

arrests and whether there were specific actions by any individual officer or whether he thought the arrests were not legal, proportionate, or necessary.

Complainant responded stating that,

"I cannot tell at this stage whether these were lawfully

proportionate as the other 5 Enforced Arrests were or were not, but the very fact that I was fully exonerated as linked here:

https://www.knowledgeassessmentanddissemination.com/post/charge-refused-certificate-from-kent-police-and-the-restoration-of-seized-property means that it is for Kent Police to provide me with all the documents that were examined during each of the 7 arrests so that I can work out whether the procedures employed on me were lawful and proportionate.

Kindly provide me the documents before we meet."

With the complainant not providing the specifics of his complaint, the investigation thereafter looked at whether, the arrests were lawful, necessary, and proportionate.

I ADS CAULFIELD have not personally had contact with the complainant due to the above. ADDITIONAL REQUIREMENTS

Dear Ms Lynn Ibeji

I totally and utterly deny sending you any communication by email that was racist and or misogynistic. If you received these, these were criminal anonymous emails engineered by M15/M16 who hacked my email account to make it look that I was the sender of around 500 such emails which constituted malicious communications and stalking that Kent Police investigated by arresting me no fewer than 7 times from September 2021 onwards and finally I was exonerated of all these scurrilous defamatory accusations as linked here:

https://www.knowledgeassessmentanddissemination.com/post/charge-refused-certificate-from-kent-police-and-the-restoration-of-seized-property

This matter is therefore subject of a complaint that I have lodged with Professional Standards Department of Kent Police (Case Reference No CO/999/23) and the report is awaited.

As to why Mr Nick Clegg wrote the things that he did about me, I would like to speak to him directly face-to-face to put the record straight - please send me Mr Nick Clegg's email address immediately.

I have already joined Liberal Democrats this morning as follows:

Dear Dr Panigrahi

The Medway Liberal Democrats party does not accept your application to join.

This is because of the past communications you have had with myself when I acted as Membership Development Officer where you used racist and misogynistic terms, suggesting that I prostitute myself to yourself for the Party, and alluding to the threat of rape. You also suggested foul play in the death of one of our members - to name but a few unpleasant details. These play completely against Liberal Democrat ethos, policies and rules. I understand that the national party wrote to you previously also when Nick Clegg wrote to you to agree to accept your resignation and suggested that you desist from expressing your abhorrent views in public Having had the opportunities to read of your attempts to join many other political parties as well as currently trying to set up one of your own, it would seem that you are not eligible to join the Liberal Democrats.

I do not expect that you will continue your application. If you do, and appeal our decision I will prepare our case with details of our communications.

- 3. The grounds for your proposed appeal (n.b. the Panel will not simply re-hear your case): I am informed that my attempt at rejoining the Liberal Democrats on 1 April 2024 was refused for internal Party reasons that despite me seeking clarification it was not provided and I was blocked from communicating with Mr Mike Dixon on 'WhatsApp' and from Mr Paul Farthing. So, there is clearly a dispute that requires examination under this Appeal for my membership of the Liberal Democrats to be restored.

During my previous membership of the Liberal Democrats, I was being terrorized by State authorities to try and boot me out of the country, to incarcerate me in a mental hospital or frame charges against me for allegedly sending malicious communications and for stalking individuals and institutions or the United Kingdom. I was arrested and in the end no charges were made against me in a criminal court.

While I understand the English Appeal Panel's preliminary decision that the Party does not exist to provide pastoral care to its members, what was at stake was truth or how the State operates in a Surveillance Society that I felt should be considered as a policy decision.

With the passage of time the full details have now surfaced. I have come to realise that we in the United Kingdom need a written Constitution that will prevent State-organised terrorism by monarchical elements who do not see eye to eye with those with principles of truth, justice and democracy.

I have accordingly started a petition at 38 Degrees:

https://you.38degrees.org.uk/petitions/develop-the-united-kingdom-into-a-republic?share=8a114320-847a-4402-8bd8-64505a169bb4&source=email-share-button&utm_medium=socialshare&utm_source=email

If this is not acceptable in the way it is presented please suggest to me what the policy of the Liberal Democrats is for the next best thing in my estimation which would be to have a written Constitution that can be amended from time to time as things change; as discussed here: https://chng.it/kLjNpKy52T in a petition at Change.org.

On receiving the English Appeals Panel's preliminary decision, I contacted the Local Party in the South East as linked here: https://www.thelibertariandemocrats.com/forum/liberal-democrats-uk/i-need-to-re-apply-to-rejoin-the-liberal-democrats

It is unjust and immoral to say the least that it would not engage with me in discussions and redirect me back to the Standards Officer for a review of its Preliminary decision.

4. The ruling that you would wish the Panel to make in your favour: Permitting me to submit a Fresh Application Form under this Membership Number to rejoin the Liberal Democrats Party.

Please return this form within fourteen days to: Standards Officer at standardsofficer@libdems.org.uk, or by post to Office of the English Party, LDHQ, 1 Vincent Square, London, SW1P 2PN.

If it is decided that your case does fall within the remit of the Appeals Panel, you will be asked immediately for further information and a date for your hearing will be fixed. Please state here any dates that you will not be available:

Please note this extract from English Party constitution article 9.6: 9.6 Any decision of the Panel shall, subject to any right of appeal under the Federal Constitution, be final and binding on all concerned. The Panel shall publish any decisions, which, in the opinion of the Chair, are likely to be of value as a precedent.

Hi Shantanu,

The first debate of the campaign is about to start on ITV at 9pm—

We know Rishi Sunak will demolish Sir Keir 'no plan' Starmer, but let me tell you:

I'm in the war room now, prepping the team to get our message out

They're ready to put money behind the Prime Minister's best clips and light up social media,

So my question to you is: can you help us fund it?

Every penny will help us reach the voters who'll decide this election

Can I count on your help?

That says it all. It is all useless. The Conservatives have already written that they will refund my £39 that it withdrew from our Barclays Account on 3rd June. I cannot have anything to do with either the Conservatives or the Liberal Democrats, or Kent Police or the Central London County Court.

Published the email sent to Membership at Libdems/Standards Officer. All State-organised persecution:
